

GET ON THE MAP!

H2 Innovations is printing a special edition of the *ActionAtlas™ Maps for Binghamton* for the 2009 Binghamton Communiversy Fest! †

†After distributing the maps during Binghamton University's Welcome Back Weekend and this Sept. event, they will be circulated across the campus and at points of interest in the local community.

Only \$225 to be on **10,000** maps!

H2 Innovations, Inc. is led by two Binghamton University graduates, Kathryn Fletcher and Patrick Hart. They recently won the 2009 Binghamton Business Plan Competition and are putting the prize money toward the development of the **BiziLife™** Network, a web-based intelligent system that will transform the way businesses connect with their customers. Find out more on our website at www.H2Innovations.com!

▲ Kathryn is a new blogger for Binghamton University's Admissions. By featuring stories, pictures, and videos of local organizations in her blog, she will act as the community MythBuster and dissolve the general attitude that "there is nothing to do in Binghamton". Want to be featured? Contact her today!
